Life*

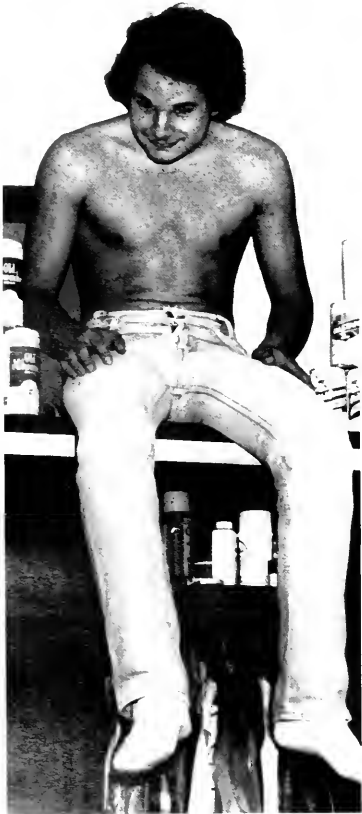

An experience many of us wouldn't want to miss out on is living in a dorm. For most of us, it's the first time living away from home. There's no more "MOM" to clean our rooms and do laundry. Things such as community bathrooms, visitation and quiet hours, popcorn parties, study breaks (longer than study hours), and phone conversations in the hallway all help to make it interesting. Organized activities like football, dances, volleyball, and ice cream socials are also offered.

No matter where you live, on or off campus, there are three things that you will have to do. A) Move in, B) do the laundry, and C) find something to do with your spare time. There are those who will remain in the dorms throughout their entire college life, and others who will move out as soon as they can, but either way we look at it, our memories of our friends and good times will last the rest of our lives. With any luck ... the good will out number the bad.

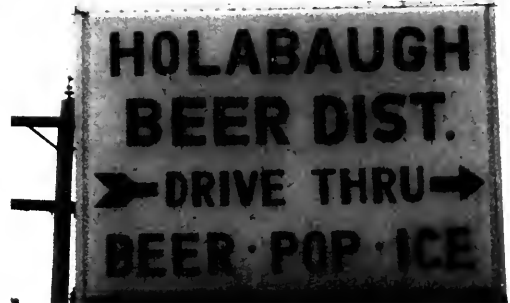

Alcohol. Synonymous with the college party, but not synonymous with having a good time. Whether you have driven the bus, prayed to the porcelain god or blown chunks. We've all learned the hard way: it's not as easy as it looks ...

After a hard week of classes, tests, and mind altering work, (well ... maybe), most students relax by enjoying the combination of personalities intertwined with the great spirits of life. This combination can almost always be found in abundance at College Park.

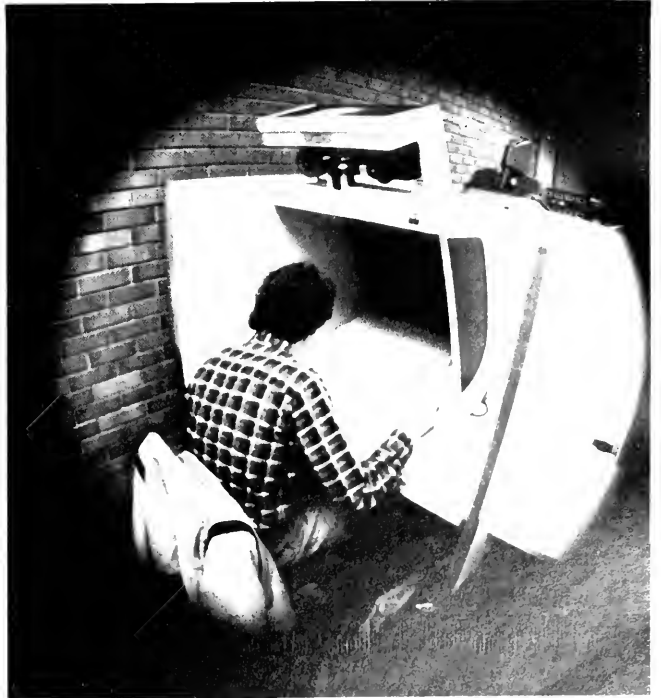

Carlson

Eventually Carlson library enters our college life. Whether it's a term paper or just a big test at some point everyone makes Carlson their home for an evening or a whole day. If your roommates throw an emergency party or the dorm is too loud Carlson is where you'll find peace and quiet.

Making The Grade

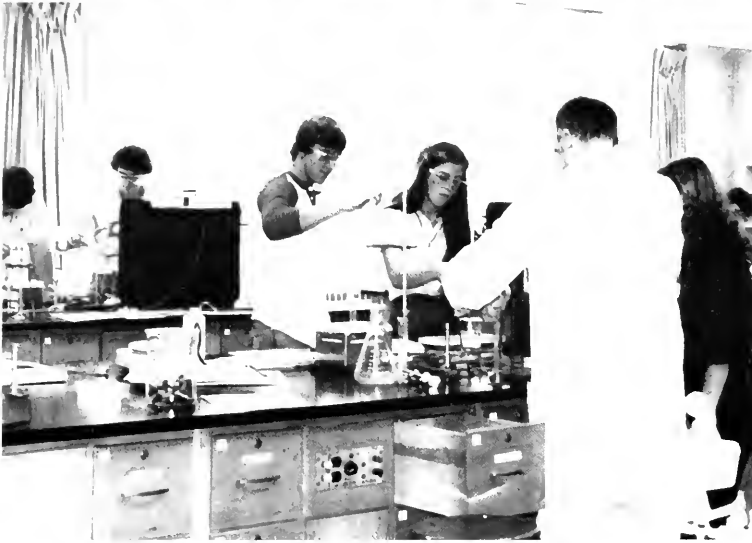

All the papers and test, the endless piles of work, math problems and moduels, graphs and flow charts. Each done trying to get the A, a symbol of greatness in college. Making the grade, playing the game.

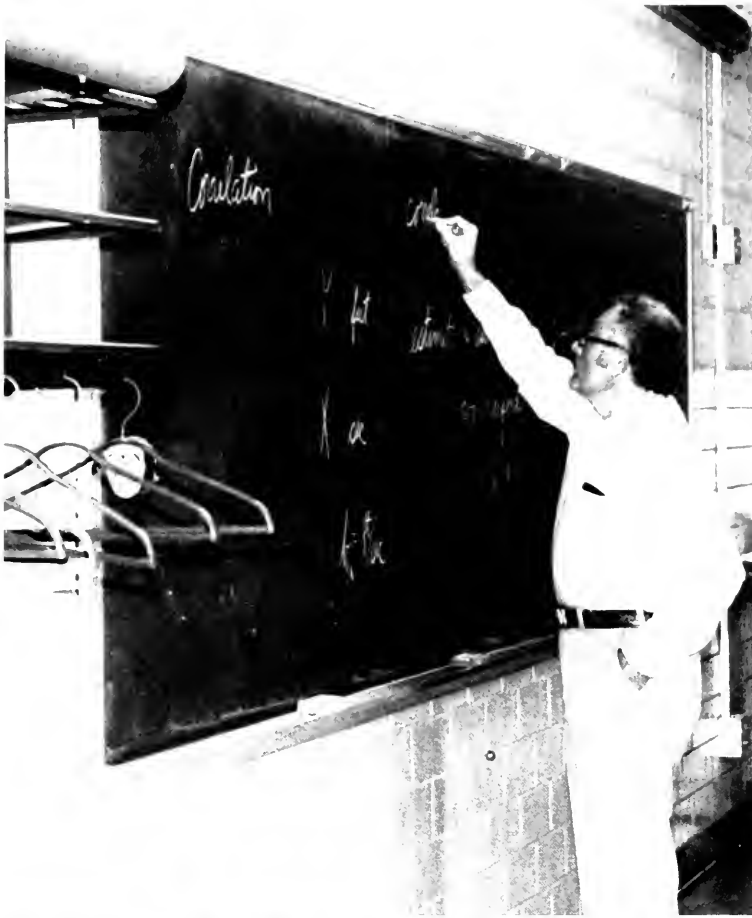

Throughout the years at Clarion, many students become familiar with dorms and classrooms in which they live and work. These are the places where friendships have their beginnings and love affairs play out their role. These are the places where tests are taken, studying is done, hardships are experienced, papers are written, projects are completed and goals are targeted. We've spent some time studying in the library, we've wasted a few minutes outside of Harvey Hall listening to the music, and outside of Carlson talking to our friends. These are experiences common to us all.

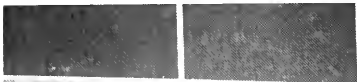

Yes there is an academic life here at C. S. C., classes are an integral part of our lives (although some days more than others). No week would be complete if you didn't have at least one test, one paper and one quiz, usually all in the same day! But the value of college is mixed with papers, classes and learning how to write a program, do a lesson plan, write a thesis, make a balance sheet balance or even do an Ad campaign. The education is there so come and get it!

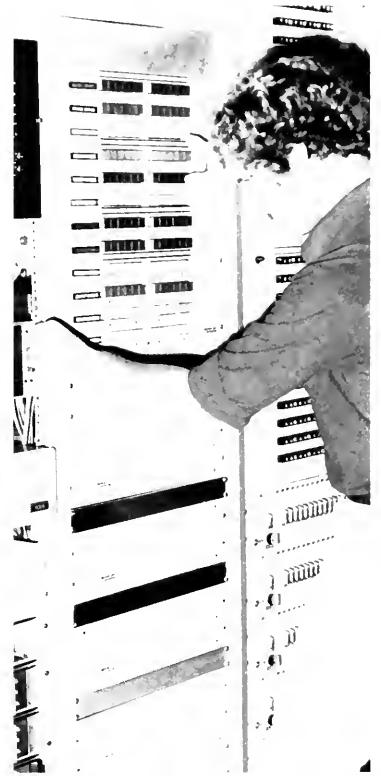

2

Clarion State offers just about anything for a student to major in - Communications, Math, Computer Science, Business and Education are just a few. There's alot to do here and most of us will get a taste of all of it. General studies as well as the classes in our major, keep us on our toes and ready for the future.

Boy, this is a really tough assignment! Sitting down and having to sum up your college career in a few paragraphs is a lot harder than I thought.

"I can still remember my first day ever at Clarion. My parents had just left me and I was waiting for my roommate, whom I had never met before in my life. Would I like him? Would he like me? Would we get along? These were the type of questions that were running through my mind, and I'm sure through every Freshmans mind. But in time I overcame these worries and soon realized he was as anxious as I was about college life. As each day passed we learned, little by little, how to cope with the pressures of college life."

"We who are graduating this year lived through an interesting era in Clarion State College's history. First of all we will be among the last classes to have graduated from CSC. People who graduate in the future will graduate from CUP, Clarion University of Pennsylvania. Just doesn't sound the same. Academically Clarion has improved drastically. With the growing competition in the job market, the school and the students realize that we must upgrade our styling and the type of education offered to compete out there in the "real world." Socially, Clarion has changed drastically. Those of us who are old enough remember, the Siggie House, Gamma Rammmas, TKE Sneaks, Plateau Parties, etc. Those were the days when you didn't have to worry about the "Boys in Blue" coming down on you for having a good time and getting a little loud.

"As we grew older, we learned that there were some classes you could blow off, and some classes that you couldn't. We learned when to party and how much to party without interferring with our school work. And as we grew mentally and physically we learned a lot of things about life that we never realized before.

"As I sit here writing this a lot of good times are going through my mind, and also a lot of sad times. But you have to take the good with the bad in college, as well as the rest of your life. But fortunately, Clarion has been filled with more good times than bad and for that I am forever grateful, thank - you Clarion, It's been real"

Class Notes

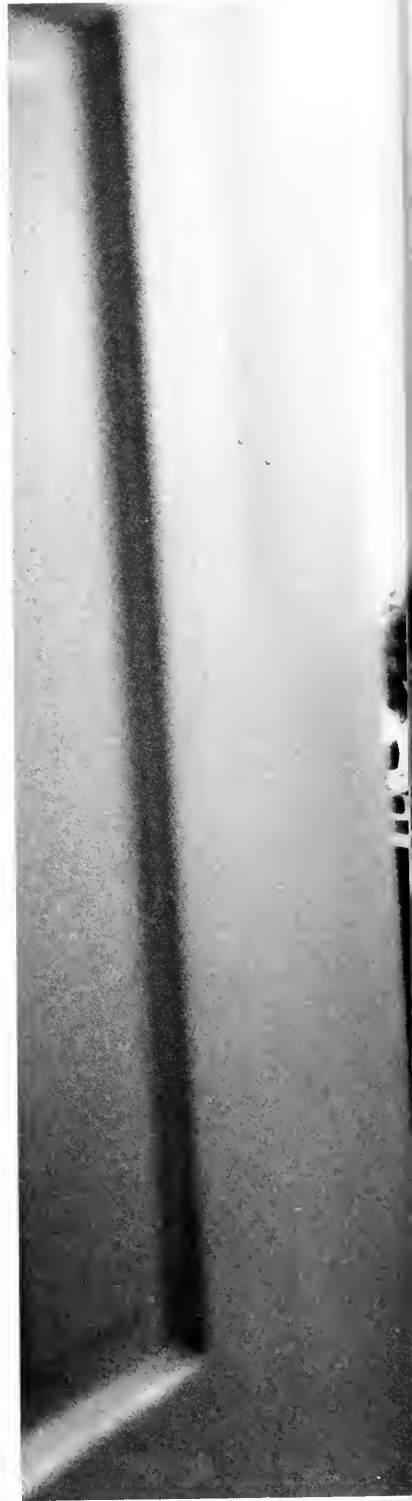

Whether it was programming a computer or writing a thesis it is the faculty that has taught us the in class knowledge we need to get out - maybe you only got a "C" in Math 100, you learned, and that's all that counts.

Groups

Clarion's Call is the weekly campus newspaper at CSC. It is distributed at various locations on campus every Thursday afternoon. The Call is staffed entirely by students. Each semester new members are added. They choose which department they want to work for - news, features, sports, photography, advertising, public relations and circulation. Clarion's Call highlights campus events and informs students about various activities. Any campus organization may submit copy to the Call for publication. The Call features various regular columns such as "Only at Clarion", "Greek News", "Classifieds", "Insignificata", "World News", and "Only the Dipper Knows". There is also an editorial page. The Call staff welcomes any suggestions from students and faculty to help improve the quality of **your** newspaper. The office is located in room 1 Harvey Hall.

WCCB - Clarion's Hot Rock!

WCCB is the student owned radio station at Clarion. Hot Rock and Roll is the format. Enthusiasm, hard work and professionalism is the way of life. Two years ago, WCCB won the Loyola National Award for having the best album-oriented Rock format of all competing colleges and universities in America. Other than slight alterations to fit the changing needs of the college students, this is the format which rocks Clarion State College eighteen hours a day.

WCCB is the only station in Clarion which broadcasts directly to all students. Local news, Daily Bulletin and college level sports coverage keep the students informed of what is going on in Clarion; the information that they need to know. Over 50 students participate in WCCB through both on and off air positions. The Public Relations Department holds campus activities along with an Annual Children's Hospital Fund drive for the community. The Sales Department works with the community businesses to bring in sales revenues.

WCUC - The FM Voice of Clarion

WCUC-FM, the alternative voice for Clarion County, is a highly diversified radio station. Owned and operated by Clarion State College, WCUC is a public broadcast station catering to the broadcasting needs of Clarion County. Programming on WCUC is varied, including "Good Morning Clarion", "Sounds of Solid Country", "Sports", "Volume 91.7", "Candlelite and Wine", "Night Sounds", and "Eagle's Nest". Throughout the year the station is actively involved in a host of community activities, including the Christmas Choral Concert held at the Clarion Mall, the Battle of the College DJs, primary election coverage, and the fund drive for the Clarion County Mental Health and Retardation Services. Designed to teach the students the basics of broadcasting, WCUC-FM trains them to be DJs, news commentators, and sports announcers. Behind the scenes are the public relations, special projects, and the traffic department staffs. Each student undergoes an extensive training session in radio production and specialized training in his/her chosen area. WCUC-FM has had another fantastic year broadcasting for Clarion County and will soon be undergoing some changes. Look for us in our new location next fall - Becker Hall!

KOINONIA CHRISTIAN FELLOWSHIP is the most active Christian organization on campus. Every day of the week you'll find something sponsored by Koinonia. There are ten student leaders in charge of different ministries. There are weekly fellowship meetings, dorm Bible studies, challenging lectures, teaching seminars, teams of students who visit and evangelize a group of missionary-minded students, Christian films, etc., etc., etc. Koinonia also has their own singing group (New Creation Singers) and Gospel Puppet Ministry (Koinonia Outreach Puppeteers) which conducts local church services upon request. Koinonia assists CSC students in their spiritual, social, and/or emotional development. They provide a variety of weekend activities including hay rides, sports nights, ice cream socials along with weekend retreats and seminars centered around the Bible. Koinonia Christian Fellowship is unique in that it not only has a faculty member serving in an advisory position (Dr. George Shirey of the CSC Geography Dept.) but also has an ordained minister serving as a full-time advisor. Rev. Serio has been on the campus of CSC since 1979. Koinonia is an inter-denominational organization. One of its guiding principles is to strongly encourage the Christian collegians to attend and participate in the local church of his/her choice. CSC students of every denomination attend Koinonia Christian Fellowship. Everyone is welcome!!

Phi Eta Sigma & Ski Club

On January 25, 1983, a chapter of the prestigious national organization, Phi Eta Sigma, was established at Clarion. Dr. Thomas Bond was presented the charter by Dean James E. Foy of Auburn University. Foy is the Grand Secretary-Treasurer of the national organization.

Phi Eta Sigma is a national collegiate scholastic honor society for freshman. A member of the Association of College Honor Societies, it was founded at the University of Illinois March 22, 1923. Phi Eta Sigma's goal is to encourage and reward high scholastic attainment among freshman in institutions of higher learning.

There are approximately 229 chapters throughout the United States, and some 280,000 members. National conventions are held every two years, with student delegates from each chapter attending at the expense of the national society. All freshmen men and women are eligible to join who have a cumulative grade-point average of 3.5 or better on a 4.0 scale at the close of any curricular period during their freshman year.

E. Inzana (President), A. Wilcox (Treasurer), J. Moore (Vice-president), T. Hong (Secretary)

Thirty seven students became charter members at the initial induction. They are: T. Andrewlevich, F. Basil Jr., Y. Bastaich, M. Brickel, J. Busshaus, D. Carpenter, J. Chalovich, P. Conticello, N. Crawford, J. Faller, S. Fitzgerald, B. Gallis, P. Godula, V. Gorshner, P. Hackenberg, J. Hillhouse, T. Hong, M. Lacher, E. Inzanz, B. Livingston, D. Machak, A. Matty, S. McKay, S. Miller, M. Also, seven faculty members became honorary members. They are: Dr. D. Brown, Dr. D. Dininny, Mr. W. Henery, Mr. M. Mitchell, Dr. D. Nair, Mrs. P. Payne, Dr. D. Still

The Clarion State Ski Club enjoys the reputation as one of the college's largest and most active organizations. Every year the Ski Club organizes trips to nearby ski resorts such as Wing Hollow, Holiday Valley, Denton Hill, and Blue Knob. The club also sponsors a week long trip to Vermont during the holidays. Here students can enjoy skiing at one of the most challenging and beautiful ski resorts in the east. During the winter, when it snows, the Ski Club takes weekly trips to nearby skiing resorts. The members can ski all night and still get enough sleep for their morning classes.

All activities are partially financed by the Ski Club's funds so that students can enjoy skiing for a discount. Presently the membership is over 300 students.

The officers are: President - Randy Latimer; Vice President - Mike Hartberger; Treasurer - Jeff Stirling; and Secretary - Lisa Anthony.

Homecoming

The Homecoming court was one of the featured events in the annual Autumn Leaf Parade. The Parade included a wide variety of floats, marching bands and community leaders all promoting this years theme "Clarion Gets Physically Fit."

The 1982-83 Homecoming Queen was crowned by President Bond during half time. Congratulations Colleen Trielvel, this years queen.

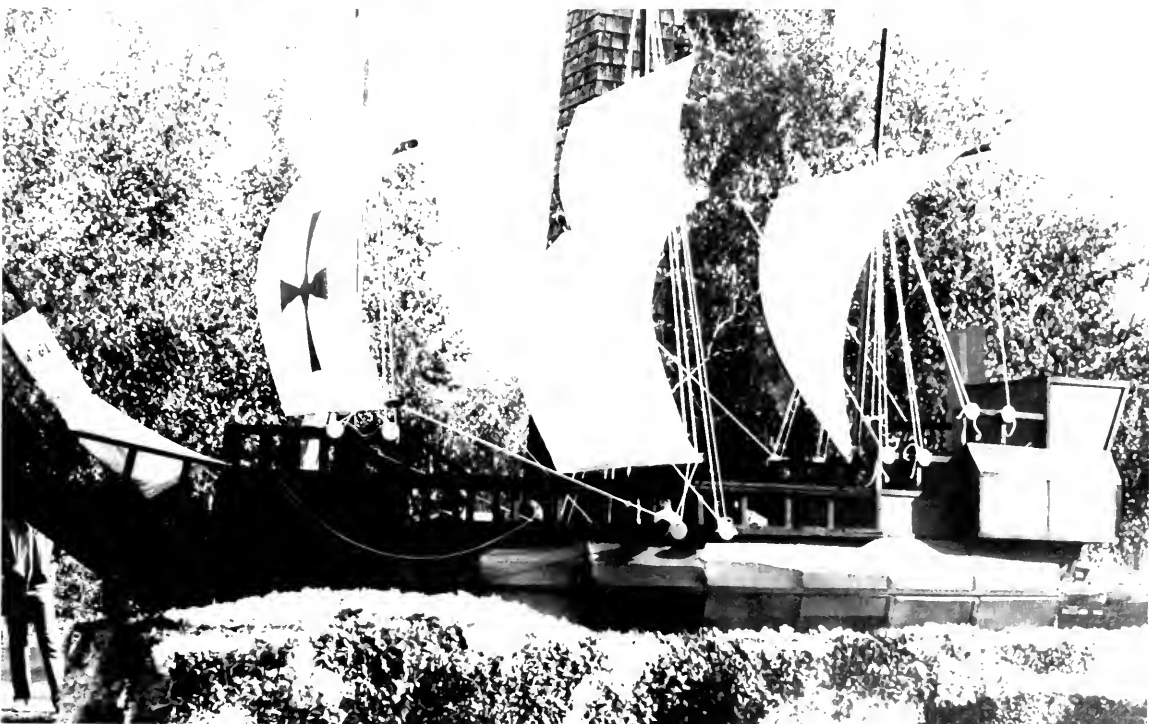

Homecoming

Steve Forbert, Billy Crystal and Frank Zane provided a diverse choice of entertainment for CSC's 1982 Homecoming week. Forbert's performance was lightly attended but was a good one. Billy Crystal kept the audience chuckling with his description of his first visit to CSC. Frank Zane held a day long seminar on body building, helping to promote this years homecoming theme.

If any of those events were not to your liking or maybe your budget then there was always the Autumn Leaf parade, both the community and college helped make it enjoyable for every one.

Tintypes . . .

Tintypes, a marvelous celebration of the ragtime era, was the first musical performance of the 1982-1983 season at Clarion State College. A patriotic anthology of nearly all the popular American music surrounding the days before World War I, Tintypes symbolically lit the stage and mesmerized the local audience.

Under the direction of Bob Copeland, fifty bracing American songs were sung by five enthusiastic cast members, each representing a social archetype of the thirty years this musical pageant covers.

David Zyck as Charlie.

Todd Sherry as Teddy Roosevelt.

Victoria Thompson as Emma.

Debbie Jackson as Susannah.

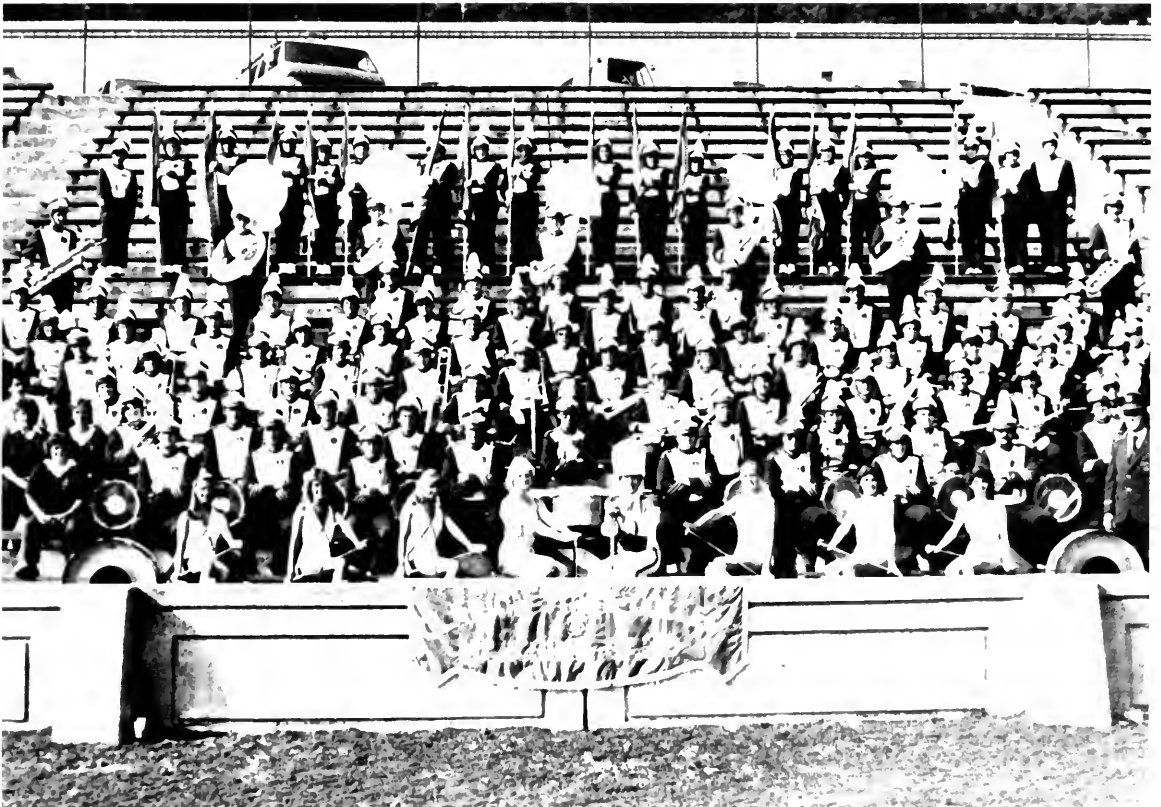

Tammy Saulsbery as Anna.

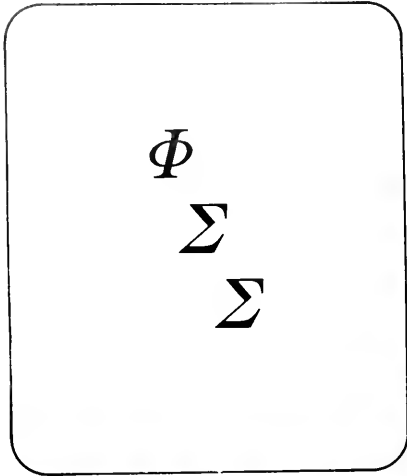

Marching Band

The Golden Eagle Marching Band was 120 members strong this season. Under the direction of Dr. Stanley F. Michalski, Jr., assisted by Lawrence J. Wells, the band provided half-time entertainment at both home and away football games. This year's repertoire included such themes as "Dances of the Past", "Homecoming Festivities", and "The Best of '82". Their final performance, "Marching Band Revue", included selections from each past theme. This year's student leaders were Jim Kosloski - Drum Major, Joyce Mainhardt - Golden Girl, and Lynn Ordiway - Head Major-ette. Collectively, the Clarion State Golden Eagle Marching Band provided the spark which generated Clarion's spirit.

Phi Sigma Sigma - Winner's of WCCB Hospital Drive!

Aesthetic Input . . .

There are many organization's on campus that bring music, theatre, dance and drama to life. Although they are often neglected, it is these groups that are what the fine arts of Clarion are based on. Without them the plays and concerts that are offered weekly would be a missing aspect of Clarion State College.

Brigadoon

"Brigadoon", described by a critic after its Broadway debut as having "all the arts of the theater woven into a single pattern of enchantment," was presented by the Clarion State College Theatre March 2-5 at Marwick-Boyd Main Auditorium. Described as Alan Jay Lerner and Frederick Loewe's "best contribution to the American musical theatre," "Brigadoon" was directed by Dr. Mary Hardwick. The musical is the story of two Americans who are lost in the Scottish Highlands and stumble upon a village not on the map called "Brigadoon". It is revealed later that upon being blessed miraculously 200 years ago, the village lapses into a sleep from which it awakens only one day in every 100 years. No villager is allowed to leave, or the enchantment will be broken and the town will disappear forever. A stranger, however, can stay if he falls in love. One critic explained the story evolves through the use of refreshing dialogue, lyrical and romantic songs, and terse exciting dances, along with the "show's most important quality — its yearning of love." One review after the Christmas 1964 revival of the production promised the musical would "carry you away, out of contemporary problems, cynicism, and materialism into a realm of faith and simplicity."

*The Best of -
Only At Clarion's*

- Can four people sleep in a single bed while one "Load" sleeps in another.
- can five sober girls try to steal the OX house sign, or flag, or whatever they can get their hands on.
- are your roommates easy, but not cheap.
- Can a freshman think Center Board is the bulletin board behind President Bond's house.
- Is a hit and run committed by a nude motorcyclist.
- Do people end each conversation with "We'll talk about this later".
- Can a girl fall asleep sucking her thumb.
- Can two girls stumble out of the sauna in the women's locker room and find the IUP Men's Basketball Team getting dressed for the game.
- Did "Dr. Bond" go to a Halloween Party in College Park without even knowing it.
- Do the Christian men promise to cool the burning of sexual desire and lust with ice cream.
- Do communication majors have no time for homework because of co-curriculars.
- Does every "I love you" sound the same.
- Does a girl "force" a guy into taking her home - Cut me a break!
- Is the beer shampoo taken literally.
- Does a prof. cut class more often than the students.
- Can people get blitzed watching The Wizard of Oz - one drink for Dorothy and the witch, two for Toto - boy is that wicked witch song a killer.
- Does a guy have more fun in one weekend than his academic advisor probably had in four years of college.
- Do you know that you should leave a party when people all around you start to throw up.
- Can you have the best weekend of your life away from Clarion.
- Does another year go by so fast you can't believe it - again.

Spring Festival of the Arts

Activities Day

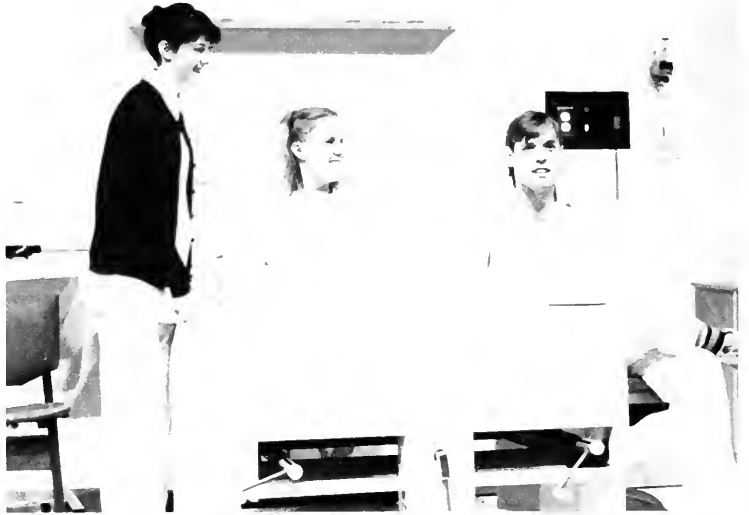

Activities Day was held on Sept. 12th as a welcome back to C. S. C. students. The organized clubs, greeks, and professional groups on campus took advantage of a beautiful day to recruit new members.

When the students began to settle down to wait for the concert to begin, they had a longer wait than they had anticipated. There was a problem with the Cub's equipment and it took over an hour to get a replacement part. However, the hardy students who waited for the concert were well rewarded. The Cub's put on a great show that helped the audience forget how long they had waited.

Whose Life Is It Anyway

Whose Life Is It Anyway, kept audiences captivated during the week of April 26. The play deals with a girl's attempt to die as she wishes. Claire is paralyzed from the neck down and life has lost its meaning for her, thus death seems a reasonable choice. The cast realistically brought the conflict to life. A panel discussion followed each night.

Center Board

G. Gordon Liddy, Michael Stanley Band, Movies, Maynard Ferguson, Sweet Thursday Concerts, Beach Party, Coffee Houses, Eric Philharmonic, and an endless list of others. All provided by Center Board, all for the students of C.S.C. Some events are more memorable than others - the concert that almost wasn't: Maynard. The first rock concert of the year: Michael Stanley. Each event helped students enjoy Clarion a little bit more. Each took time and a lot of effort on the part of Center Board.

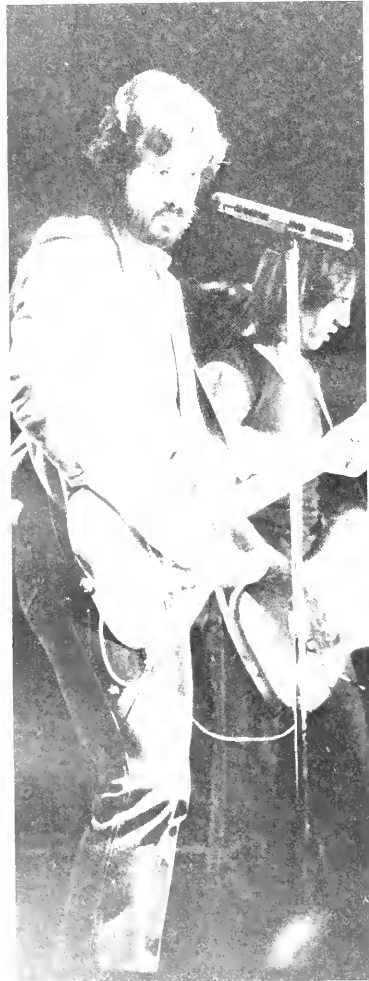

*More

Michael Stanley Band

The Michael Stanley Band was this year's first major concert. The concert was lifted and once again Clarion looked MSB played to a large crowd in Tippin Gym and they played well. Combining the talent of all of the band they provide their own unique style of Rock 'n Roll. Their style kept Clarion students energized the entire concert. Michael Stanley Band - Style and Energy.

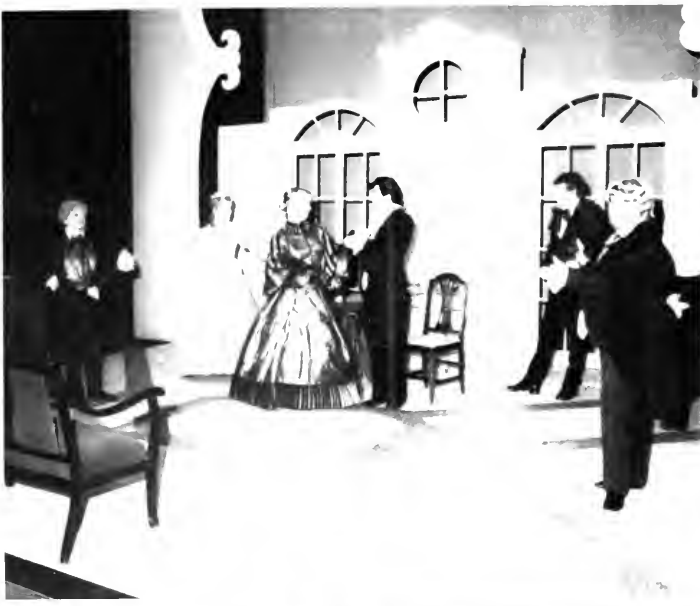

London Assurance

London Assurance was the second theatrical production of the year. *London* was performed Nov. 2-6 in the Little Theatre of Marwick Boyd. Directed by Dr. Adam Weiss, this comedy of manners was originally written by Dion Baucicault in 1841. The play takes place in Oak Hall, the country estate of Max Harkawary. The plot consisted of a confusing situation between family and young lovers. The end result is one of happily ever after, confusion resolved, love conquers all.

Lyric Theater ...

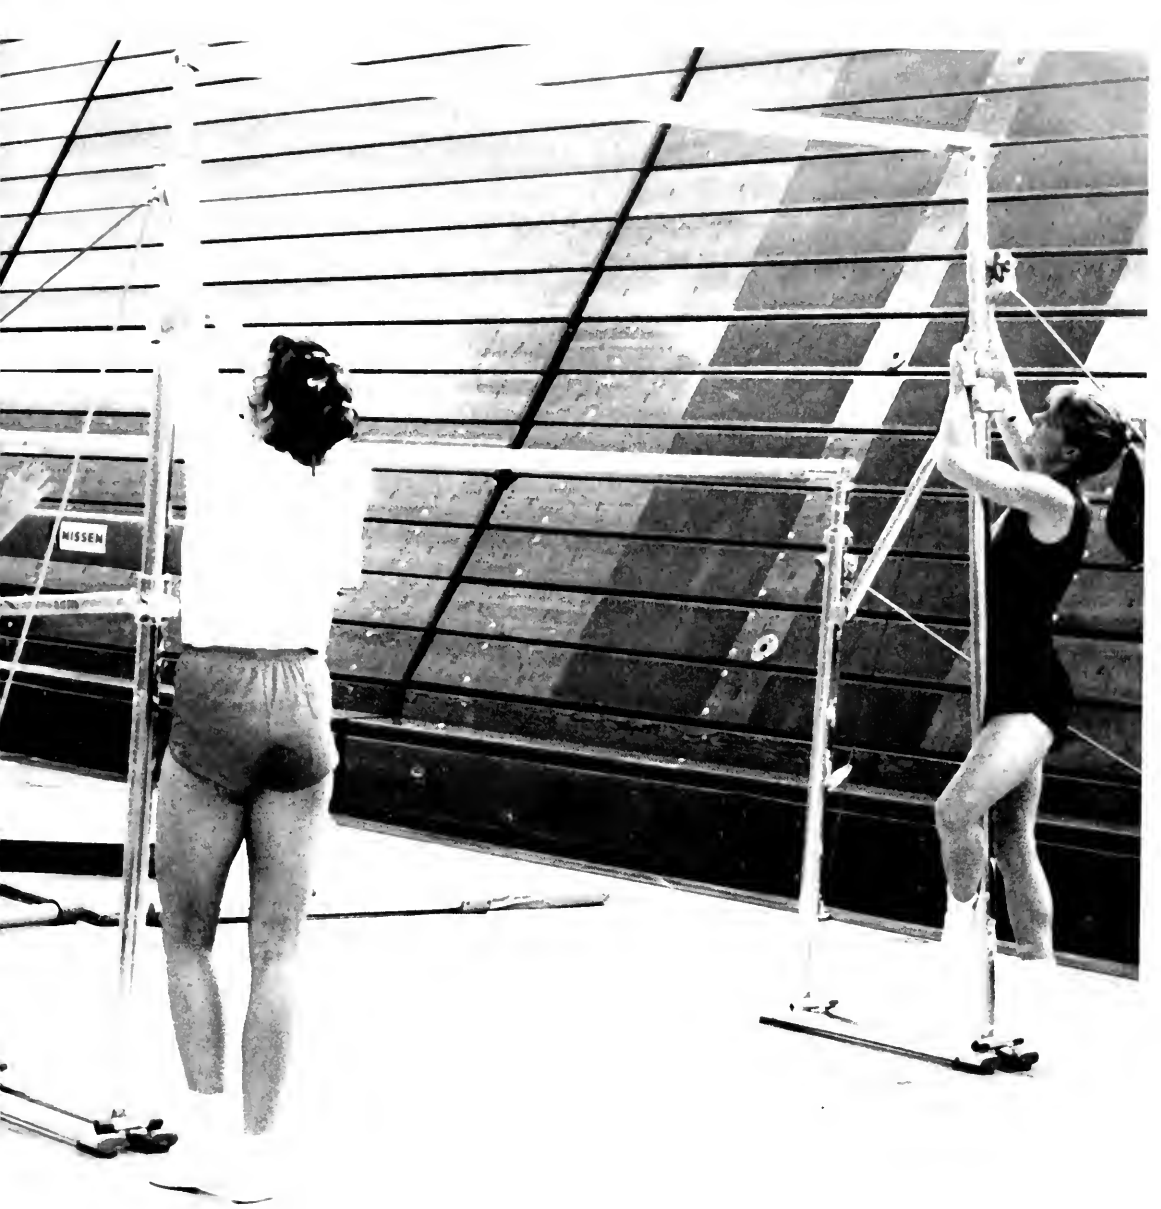

Lyric Theater Workshop is an opportunity offered by the Music Dept. for students to express musical and theatrical talents. It can be used by non-music majors as a learning and training experience also. The student can play various parts in the production process such as set designer, musical and dramatic director, instrumental and choral-vocal performer etc. Lyric Theater Workshop offers a challenge more than that of a typical musical.

Sports

Football

The 1982 football season signaled the beginning of a new era in Clarion football. Charles Ruslavage took over for veteran head mentor Al Jacks and continued the fine tradition that is Clarion football, guiding the Eagles to a 7 and 3 record. Names like Carbol, McFetridge, Alexander, Wuyscik, and Golias led the offense, while Ewing, May, Colecchi, Richards, and Andrekovich led the traditionally strong defense.

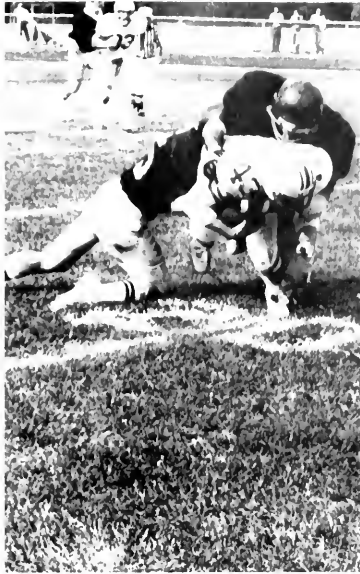

Clarion posted its 19th straight winning season and 22nd non-losing season, this places Clarion 4th in the nation in that department, right behind national powers like Penn State, Texas, and Alabama, a record every Clarion fan should be proud of.

A few highlights of the season included a regionally televised game against Slippery Rock and two significant upsets over undefeated Edinboro and Westminister. "I thought it was an interesting season. I'm very pleased with the season, especially when we beat two undefeated teams. I'm looking forward to next year," stated Coach Ruslavage.

Winning has become an expectation of CSC fans and the 1982 Golden Eagles Squad continued the tradition.

Like our national emblem, Clarion State's Golden Eagle mascot represents prestige and spirit. The Eagle is pictured on t-shirts, uniforms, and other items symbolizing team excellence in CSC athletic events.

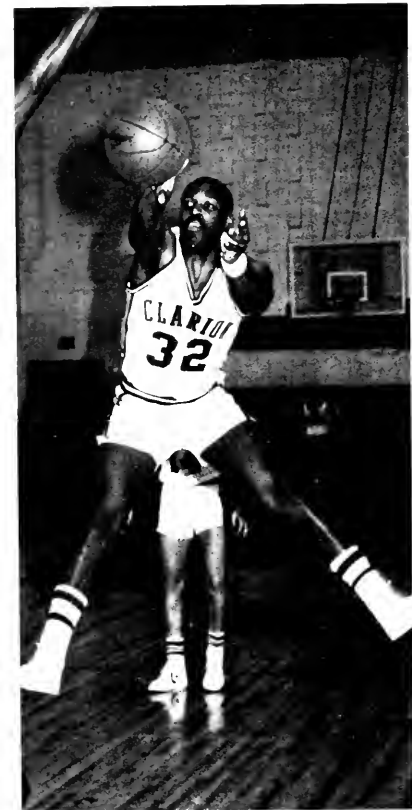

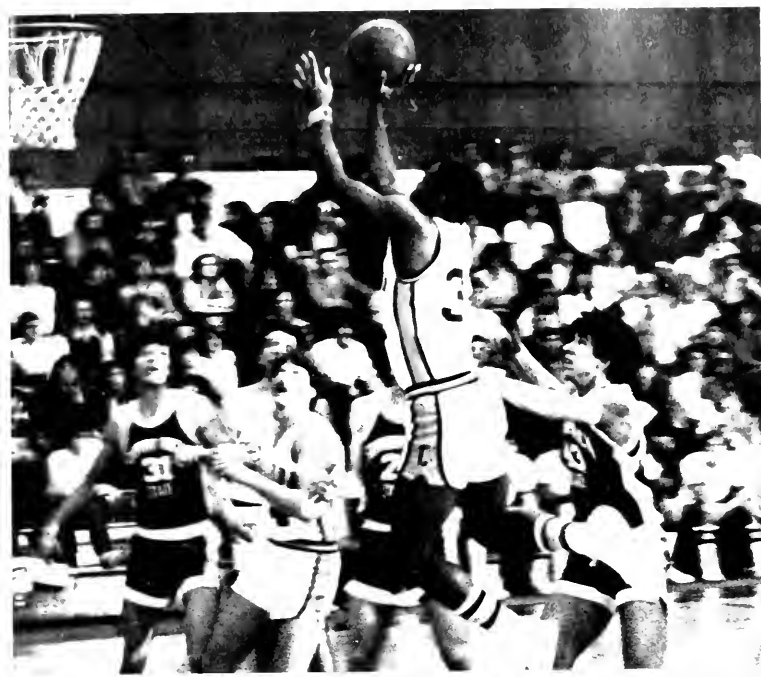

Whether he is smashing through a football line, dribbling down the basketball court, spiking numerous volleyballs, pinning countless contenders, or cashing through the water in Tippin's pool, the Golden Eagle encourages spirit and impresses the supremacy of CSC athletics.

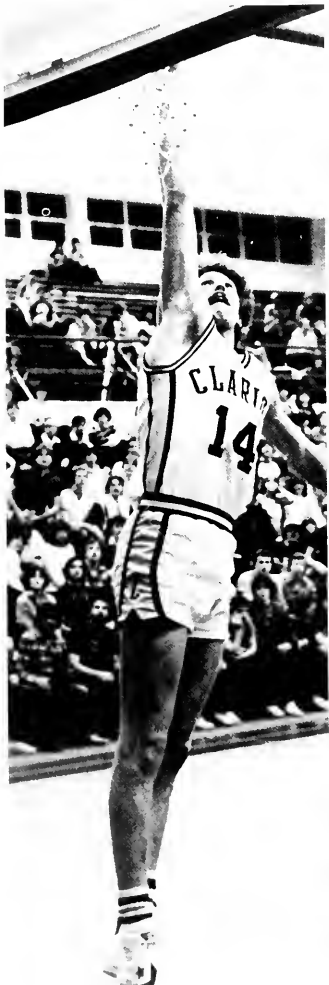

Men's Basketball Team Captures PC West Title

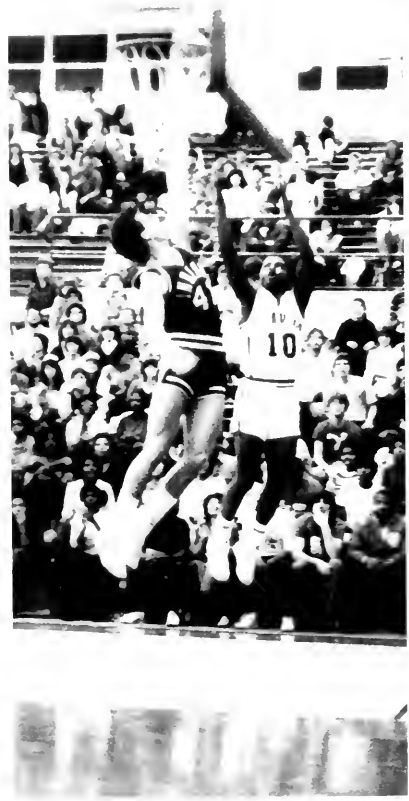

Men's Basketball

The 1982-83 Clarion Men's Basketball Team did not win a state title, but did overcome tough odds to be declared the #1 seed in the PSAC West and tied Slippery Rock for the Western division crown. "Our kids never gave up even when we went through the rough times and I think that's what gave us the character we needed," commented head coach Dr. Richard Taylor. In his first year, Taylor was faced with a mid-season record of 5-8 and a 1-3 in the PC West. "We never panicked and the kids kept plugging and that's how we got it going." Winning 6 consecutive west games gave the eagles their sixth title or co-title in the last seven years and 8 consecutive winning seasons. Having only one of its top seven scorers back in the fold from the previous year, Taylor found himself starting a sophomore at point guard, a freshman center and all five backup spots manned by freshmen. The 15-11 overall record is a good one when comparing the mid-season mark and looking at the Eagles' underclassman. With such a young team the eagles look forward to many winning seasons in the future.

Wrestling

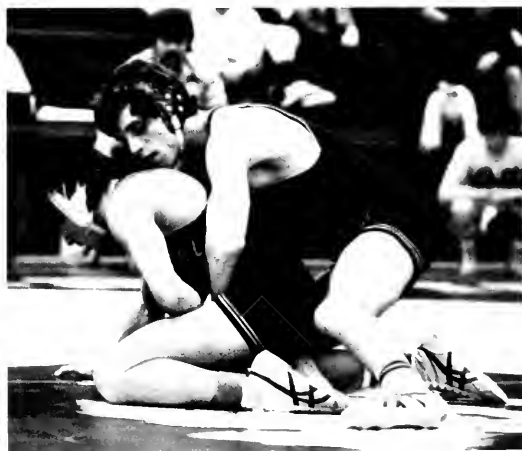

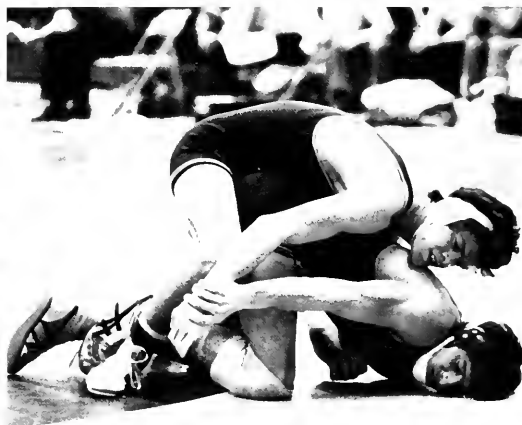

1982-83 season with many questions, many answers and a lot of hard work. Bob Budd's hard work and guidance turned his inexperienced team into a tough, respected one. The final Amateur Wrestling Dual Meet Poll ranked CSC as the 19th best dual meet team in Division I. We made large strides this year and I'm very proud of our kids," commented Coach Bob Budd. "I thought the season held a mixture of peaks and valleys, but without a doubt we improved beyond our own expectations."

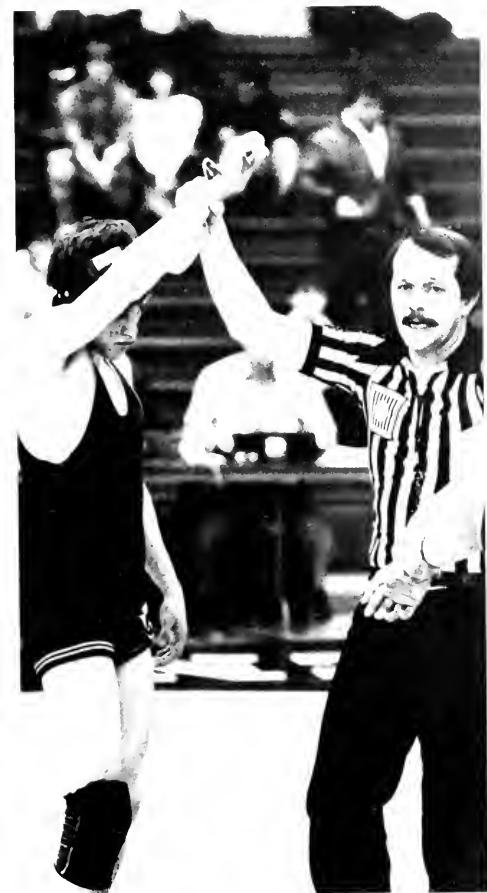

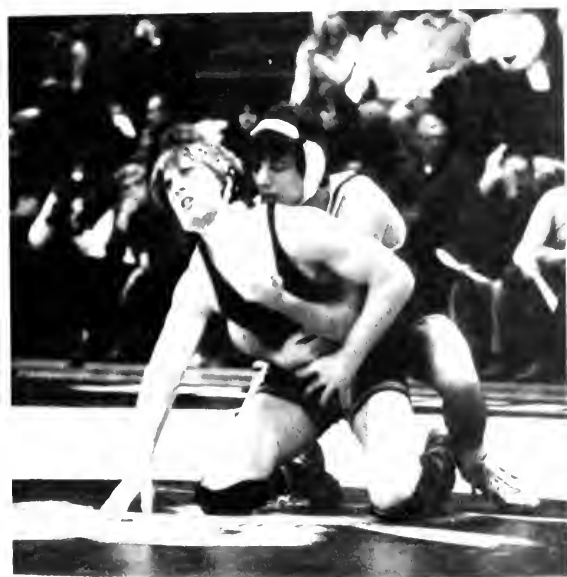

The golden eagles sent 8 wrestlers into the Pennsylvania State Athletic Conference Finals and crowned a record 7 champions and set a new scoring standard of 167 1/2 team points to win the team title. The PSAC Championship was Clarion's 8th in 17 years under coach Budd. Four Clarion Wrestlers qualified for the NCAA Division I Nationals, Jamey Kasser (118), Mark Ciccarello (134), Ken Nellis (142), and Curt Olson (HWT). The NCAA National Tournament saw Clarion finish 25th in team scoring getting 10.50 points, the fifth year in a row that Clarion has been in the top 25 at Nationals and the 9th time CSC has hit that mark in the last 11 years.

The Eagles are losing three seniors in Curt Olson, Rob Albert, and Jerry Halstead. But the future does look bright with everyone else returning including Nate Carter who was named Eastern Wrestling League's Freshman Wrestler of the Year. "With hard work over the summer by our kids I think next year could be a good season at Clarion," stated Budd. "Our wrestlers did all we asked of them this year and we are very happy with their progress and their attitudes. We are looking forward to next year."

Tennis Nets A Slow Season

The 1982 tennis team is a young and growing team. It was coached by the veteran Norbert Baschnagel. The team was expected to give them a slow season for future tournaments.

The lady eagles returned to the captain and number one player Karen Stevenson. A two time State Champion. Karen is the backbone of the team, says Coach Baschnagel. Her game features an excellent hard serve and consistent court play.

Also returning from the 1981 squad were number six singles player Chris Sout, Lynn Teets and Ann Lund. Sout, a senior is a 1982 co-captain along with Stevenson.

Two lady eagles advanced to the semi-finals in the Pennsylvania Conference Championships. They were freshmen Lisa Greco Clarions number three player, and Julie Gress the eagles number five player. Both won 2 matches before losing in the semi-finals. Karen Stevenson put up a hard fight, but lost in the quarter finals of the tournament.

The 82 season was just a steppingstone for this young, growing team. They have the talent and potential to become champions and much is expected of them in the future.

NCAA Division II National Champs!

The swimming women of C S C won their 8th straight Pa State Athletic Conference Championship, outdistancing their opponent by over 300 points. They won 20 of 24 events, set eight PA Conference records AND three pool records on the way to a team score of 846.50 points.

Lead by returning All American Jeanne O'Conner, Lynn McGeachie, Joyce Skoog, Teri Peot, Nan Jackson and Beth Walbaum and divers Laura Astarita, Cathy Teresko, and Tina Kiser. The swimmers registered an 8-1 dual meet record this year.

March 16-19, the swimmers traveled to Long Beach, California to NCAA Division II Nationals. Although first place was not determined until the last relay and Air Force was in first place with a score of 308. Air Force finished second at a score of 299.

27 C S C finished with All-American rankings and Karen Hawkins received coaches award. Also receiving awards were Nan Jackson, Cathy Tereshko and Debbi Dickson for their accomplishments.

Overall 14 team records were broken compared to 7 last year and the womens team has compiled a record of 79-17 in the last year.

Women Shoot For Experience

The 1982-83 season is going to be a tough year for the Women's Basketball Team. There were eight freshmen on the squad who had to make the adjustment from high school play to the demanding Pennsylvania Conference. "This was basically a rebuilding and teaching year. The freshmen have talent, but are still learning our system," says CSC head coach Kathy McGirr.

The Lady Eagles wound up the season with a 3-17 record on the year and a 2-8 mark in the Pennsylvania Conference West. The young team experienced many highlights however. Junior Darby Tatsak led the squad with 13.3 points-per game average. Pam Lewis finished with an even 13 point average and Brenda Stelika also hit double figures with a 10.4 average. The top rebounders were Stelika with an average of 7.2 rebounds a game. Rhonda Smith grabbed an average 6.5 rebounds and freshman Annie Drathman ended with an average of 5.9 rebounds per game.

Although the Lady Eagles failed to produce a winning season, they fielded valuable experience needed for future seasons.

Gymnasts Take Third At Nationals

Team: Mary Gowan, Kelli Ferguson, Carol S. ... Coenie Reibich, J. ... Meg Minderler, Kelli Krout

The Clarion State Women's gymnastics team, under the leadership of head coach Gayle Truitt-Bean featured solid individual and team performances during the 1982-83 seasons. Although injury threatened, the eight member team executed top notch routines at each performance. The Golden Eagles, led by five upper classmen and three freshmen, are stronger and more skillful than Truitt-Bean has fielded here in four years. The coach also added that the team possesses the attitude of team unity and spirit that has put them ahead of last year's pace. At the National Championship, Meg Minderler won the balance beam competition with a combined score of 17.55, 8.85, 8.9. Meg also earned All-American honors for her second place finish in the All-Around competition. The tumblers finished third in the NAIA Division I Nationals, just missing the top spot by three-tenths of a point, with a team score of 137.10

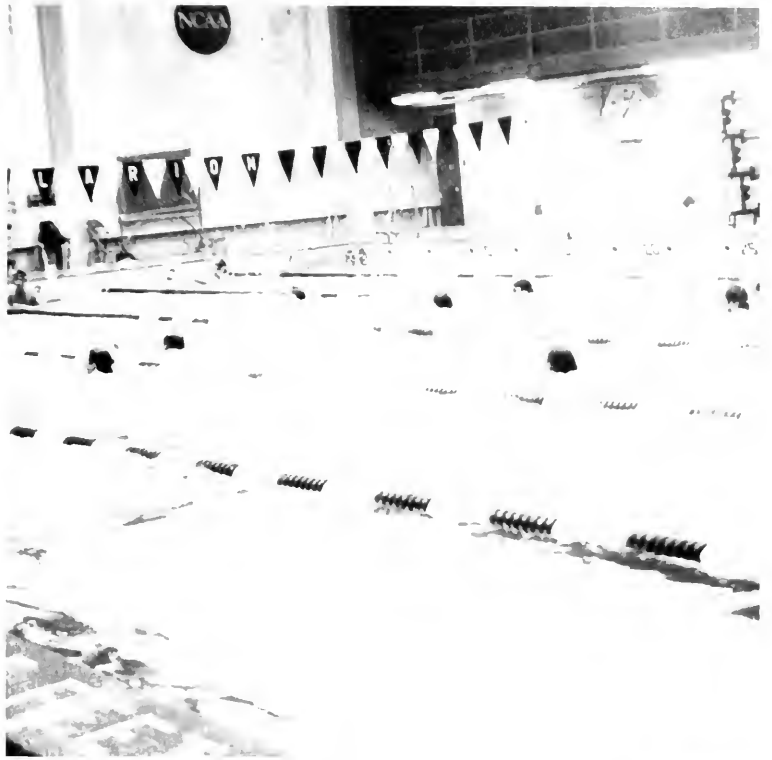

Golden Eagles Capture 13th Straight PSAC Title

The Clarion State Men's Swim Team completed another successful season in 1982-83. They captured their 13th consecutive Pennsylvania State Athletic Conference Championship, remained undefeated in dual meets, and finished fourth in the NCAA Division II Championships at Long Beach, California.

Earning All-American honors in 1982-83 were - Rich Dobrazanski, Ed Weber, Dave Holmes, Chuck LoCurto, Craig Harkins, Kevin O'Neil, Keith Arnold, Tim Wojtaszek, Jack Gardner, Tim Fahey, Dave McFadden, and Mike Janak. According to Head Coach Bill Miller, "The team should remain strong next season since only four swimmers will be lost to graduation."

CSC Track Displays Outstanding Talent

The 1982-83 C.S.C. State Track Team had a very successful year under the head coach Bill English. The men's dual meet record was 4-1, women's was 3-1. They are a small squad with outstanding individual talent.

Many new records were set by this young team. In the 1600 relay at Penn State the men won the 2nd year in a row setting a new record of 3:18.5, done by Shawn Reed, Ken Bryant, Jeff Leya and Loyal Jasper. Freshman Lisa Kennedy holds the record for the 100 meter run with a time of 12.0 and the 200, time 25.6. Many other accomplishments were made by this young team. C. S. C. can be proud of their Track Team.

Volleyball

The 1982 Women's Volleyball team was anchored by second year coach, Sharon Daniels-Oleksak, ending the second season with an overall record of 15-15, the team successfully improved last year's record.

The team is in a rebuilding process, boasting a starting line of four freshmen. Senior Linda Petrosky captained the Golden Eagle team. A three year starter, Petrosky was in charge of running the CSC offense.

In his third year as Assistant Women's Volleyball coach, Marty Reynolds added his expertise in spiking and setting techniques.

Coach Daniels-Oleksak stated, "I'm very pleased with the amount of dedication and commitment that the players have made to the program."

The team placed third in the Binghampton Tournament, which was played at the State University of New York. The Women's team can be complimented for adding another non-losing season record to the CSC athletic program.

Rifle Team

Whether it's a football game or a wrestling match there are two things always to be found - high spirited fans and the C.S.C. Eagle. The Eagle cheers loudly and keeps spirits up. He or She may occasionally wander to the opposing side but always in a good humored manner. As mascots go the Eagle rates as high as the fans spirits.

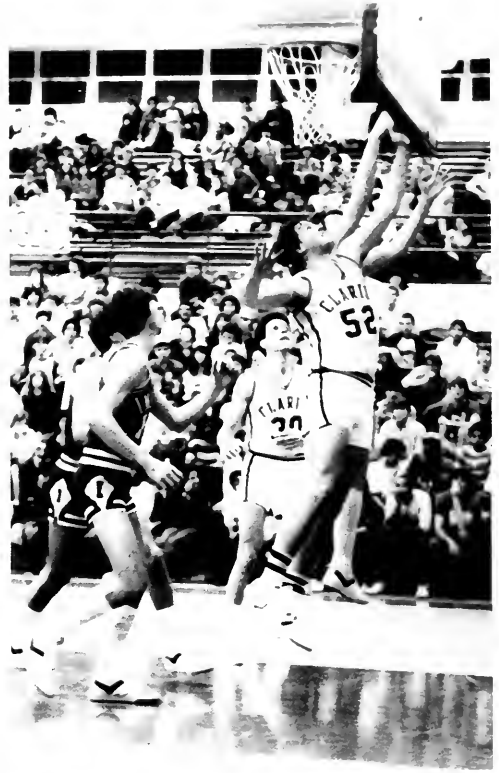

Winners in Action

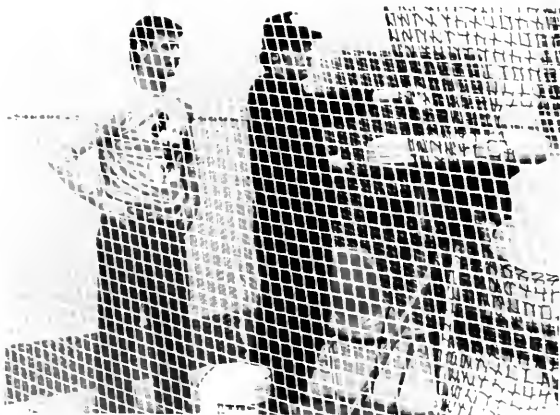

It was the year that: The football team had its 19th straight winning season. The wrestlers ranked 29th in best dual meet, division I. We sent 8 wrestlers to Pa. State Finals and crowned a record 7 champions and set a new scoring record. Meg Minlder won balance beam at nationals for the gymnastic team. The tumblers finished third in NAIA division I nationals. Two lady Eagles on the tennis team advanced to the semi finals in the Pa. conference championships. Women's swim team won their 8th straight conference title. Coach Rutt led her team to a record of 20 out of 24 events at nationals. Mens swimmers 13th straight PSA title and finished 5th in NCAA division II nationals. It was a year for winners . . .

The fraternity of Alpha Chi Rho was founded at Trinity College on January 1, 1895. Since that day it has spread throughout the north and east, locating at most college and university campuses. The men of the Mu Phi Chapter, founded at Clarion State College in 1964, now number 30 brothers. Along with promoting brotherhood, scholarship, and service projects, AXP has won the Greek Scholarship Trophy 12 out of the last 15 years. They have also won the Greek Sing for nine consecutive years, and the overall Greek Week 1st Place Awards in 1978, 1979, 1980, and 1981. The chapter enjoys social events such as mixers with the campus sororities, winter and spring formals, and the participation in the annual Autumn Leaf Festival and the Spring "Crow" Bowl at Penn State University. With 79 years of National fraternity, and 19 years of local history behind us, the brothers of Alpha Chi Rho welcome all students to Clarion.

Alpha Phi Alpha Fraternity is the oldest, largest and most prestigious black fraternity ever to exist. The XI SIGMA chapter of the fraternity here at Clarion was established on May 3, 1980. From that day forth the fraternity has been of service to the college and community. A few of the events have been: a \$50.00 savings bond to the freshman male with the highest QPA of 3.00 or better, diversified test file for student use as reference for upcoming tests, volunteer time to the Grandview Nursing Home, visiting patients and helping staff in any way possible, volunteer time to area high schools helping students and administration in any way possible, and Thanksgiving Food Drive throughout the Clarion community, benefiting the poor and needy in Clarion. We would like to thank everyone for their cooperation and we look forward to working with the Clarion community in the future.

The Alpha Omicron chapter of Alpha Sigma Tau was founded here at Clarion on January 29, 1966. The sisterhood believes in attaining high academic standards while promoting the ideals of AST. Our social service projects are many, but here on campus we assist at the Red Cross Bloodmobile each semester. The Taus annually sponsor one or more girls in the Miss CSC, and have had many of the titles including this year's Miss CSC. During Homecoming we participate in the parade and Homecoming court. This year our float was built with the Sigma Tau Fraternity. Throughout the semester we have mixers, date parties and the annual Yellow Rose Formal. Our suite is on the first floor of Ralston Hall. Everyone is welcome at anytime.

Alpha Xi Delta

The Zeta Beta Chapter of Alpha Xi Delta was founded nationally on April 17, 1893. We received our local charter in March 1970. Presently there are 48 active sisters. The sisters are very active on campus. We participated in College Bowl, intramurals, and Greek Week to name a few. This year the Alpha Xis helped raise money by rocking for Children's Hospital. Our National Philanthropic Project is the American Lung Association. A 2.0 QPA is required, and we would like any interested women to come visit our suite located on first floor Nair.

Delta Zeta

The Epsilon Theta chapter of Delta Zeta is proud to represent the largest national sorority. We were established on CSC's campus in 1956. Our national philanthropic endeavor is Speech and Hearing. We also go trick or treating for Polk State Institute every Halloween. The Delts are very active in extra-curricular activities including cheerleading, Channel 5, NSSHLA, PSEA, several honor societies, AMA, Greek Week, and Homecoming court to name a few. We are very proud of Mary Pat McCarthy, who is last year's Miss CSC. Our social functions include Christmas and Spring formals, and many fantastic mixers with the frats. of CSC. We strive to achieve high academic standards, also.

Ψ** Kappa Alpha Psi Fraternity was founded January 5, 1911 at Indiana University, Bloomington, Indiana. Fashioning achievement as its purpose, Kappa Alpha Psi began uniting college men of culture, patriotism, and honor on a bond of fraternity. Since its founding upon the Clarion State campus in 1974, Beta Epsilon Colony has participated in numerous extra-curricular activities and public service projects. It now boasts a distinguished alumni of 28 brothers.

Σ

Originally known as *Phi Sigma Epsilon*, the fraternity was, in 1959, among the first established at CSC. The brothers, numbering 40, come from diverse backgrounds and have various interests, being involved in many campus activities. The brothers maintain a spacious lodge near Clarion, ideal for mixers, parties, and concerts. There is almost nothing one Phi Sig brother would not do for another. It is this Fraternal Spirit that makes the Phi Sig's a special collection of young men and a solid fraternity.

Our major service project is the annual "Phi Sigma Run For Cancer", a 100 mile extravaganza.

The officers are: President - Randy Latimer, Vice President - John Scott, Treasurer - Dave Smyers, Corresponding Secretary - Jeff Swedish, Recording Secretary - Joe Canale, and Lodge Manager - Don Grau.

Sigma Phi Epsilon

Σ
Φ
Ε

Sigma Phi Epsilon is the youngest, yet the largest fraternity here at Clarion. Informally we began in 1980, bound together by our goal to start a new fraternity. We received our national charter in 1982. Each year, before Thanksgiving, we work with the Community Action Agency to collect food for the needy people of Clarion county. For the past two years we have helped at the Special Olympics, and plan to continue doing so. We are always willing to help a good cause. Our annual blow-out, and semesterly slip-n-slide are only a small part of the fun. We receive real pleasure from being a part of the Greek system here at Clarion, and it gives us the great joy to join together as brothers, sharing our true ideals, virtue, diligence, and brotherly love.

Sigma Sigma Sigma

ΣΣΣ

The Alpha Pi Chapter of Sigma Sigma Sigma was founded at Clarion State College on April 27, 1935, becoming the first national sorority on campus. Our enthusiastic sisters take part in an array of campuswide activities. These include: Homecoming court, Autumn Leaf Festival Parade, intramurals, athletics, cheerleading, Miss CSC, theatrical productions, and all-over participating in Greek Life. They are a social sorority which upholds a long-standing tradition of high scholastic achievement. Our National Philanthropic Project is the Robbie Page Memorial, which helps to finance play therapy programs for children's hospitals throughout the country.

*Well by now you have looked through
A year of memories here at Clarion.
Memories and history combined to form
your memories and your year. This is a
representation of Clarion, some little town
that has taught you more than you knew
a year or even four years ago. If this is your
last year you leave to a world filled with
confusion, hopefully C. S. C. has taught you
how to deal with it. Hopefully you leave
with enough memories to fill more than
these pages, enough to fill your heart. Look
forward to life but occasionally glance back
at C. S. C. and smile.*

Editor's Note

Looking over the pages of so many obituaries at the end of this book "Looking back" was not as easy to recall all the faces. Looking back over this year I will remember all the smiles, all the people that make the book and me better. The faces on this page are the faces of friends - yours and mine, people that make it all worthwhile. This book is dedicated to friendships that will always hold us in Clarion - if only in our memories.
